Sir,

In submitting herewith an application in original dated 2nd November 1916 presented to me by the promoters of the Association styled " The Nagar Division Veerasaiva Vidya Vardhaka Sanga " regarding the construction of a Students' Home in the Shimoga town for the benefit of the Lingayet community at an estimated cost of ₹ 38,156/-, I have the honor to state that the objects of the Sanga have been clearly stated in the application and it deserves favourable consideration from the Government.

2. I have seen the site on which the Students' Home is proposed to be constructed . It is suited for the purpose and the construction of this building there will certainly add to the beauty of the town.

3. The applicants have already secured contributions to the extent of ₹ 12,000 and hope to collect the remaining amount to make up one half of the cost required for the building and they pray that the Government may be pleased to sanction the other half. Under these circumstances, I have the honor to recommend the grant of one half of the cost of
